# SCHOOL SCHOLARSHIP PROGRAM - WINNERS

## Dee Why RSL awards ten local students with \$20,000 in scholarships

Once again, the Dee Why RSL School Scholarship Program has delivered a total of \$20,000 in scholarships to assist students in achieving their utmost potential whilst completing the Higher School Certificate.

The volume and quality of this year's applications were incredibly high, making it extremely difficult for the Dee Why RSL Board Panel, all retired school teachers, to award only 10 students. Students were given the opportunity to be assessed on their excellent academic performance and/or financial need, with this selection remaining confidential.

On Tuesday 3 December 2019, the Dee Why RSL Board and Executive Management team hosted a function to present each student with a \$2,000 cheque, certificate for their portfolio, and to take the opportunity to congratulate the students in person. The room was swelling with pride as the excited students were supported by their family and carers.

"It was an honour and a privilege to present certificates and cheques to the successful students. The way in which they addressed the selection criteria, together with their heartfelt references to the importance

**"Dee Why RSL is proud to provide funding to assist these wonderful young people."**

of family during the HSC year made their applications a pleasure to read," said President of Dee Why RSL Graeme Liddell.

"Education is a very expensive business and Dee Why RSL is proud to provide funding to assist these wonderful young people to work towards their 2020 HSC year."

Scholarships provide opportunities to students who exhibit academic excellence and to students who demonstrate they have the drive and determination to achieve academically despite financial constraints, along with a passion or proven contribution to community, and involvement in extracurricular activities.

The scholarship program is part of the Club's longstanding Community Support Program. This year, Dee Why RSL will support over 100 local community groups with more than \$2,000,000 in cash and in-kind support. These groups include high needs charities, as well as organisations that support disabilities, vulnerable children, mental health, veterans, sporting, cultural, social clubs and education.

### This year's successful Scholarship recipients are:

Bianca Aiello and Alexandra Carroll  
— NBSC Mackellar Girls Campus.

Mienke Breebaart  
— Mater Maria Catholic College.

Grace Fisher, Chloe Leung,  
Chloe Martin and Kate McLoughlin  
— Manly Selective Campus.

Dillon Pittar and Talani Tombs  
— NBSC Freshwater Senior Campus.

Sarah Roger  
— Northern Beaches Christian School.

# BUSH FIRE APPEAL

**“Thank you to our members and guests for your overwhelming generosity in our bushfire appeal.”**

Right now, Australia is facing the most devastating bushfire season the country has ever seen. The scale of the fires is hard to comprehend as countless stories of devastation continue to emerge. More than 12 million acres of Australian land has burned, numerous lives have been lost, thousands of homes have been destroyed, and incalculable numbers of wildlife have perished.

We are truly saddened to hear these stories and in light of such horrific events, have started an internal bushfire appeal. Thank you to our members and guests for your overwhelming generosity in this appeal. Your donations are going directly to the NSW Rural Fire Service in this time of need, urgently helping our volunteer firefighters on the front line.

As part of our bushfire appeal, Dee Why RSL is pleased to offer assistance to NSW towns ravaged by fire through our Club Chaplain, Anelle Beeby. Anelle will be there for the community, regardless of spiritual belief, offering assistance and support to those who need it most.

Pictured above: Dee Why RSL Chaplain, Anelle Beeby.

Our hearts go out to everyone affected by these fires. If you, or anyone you know is affected by the fires, Anelle is here to assist; email Anelle on [chaplain@dyrsl.com.au](mailto:chaplain@dyrsl.com.au).
