

# Vacancy.

## Graphic Designer

So, dear creative, are you just like everyone else? Or, are you an all-rounder who is enthusiastic, committed and ready for your next step? If the answer is YES, then this might just be the role for you.

## Who would this role suit?

The successful candidate could be someone with a few years agency experience who is looking to move to an in-house role. Experience with hospitality brands would be great, but not a deal breaker.

We are needing someone who has:

- Tertiary degree in design, minimum of two years' experience
- Proficient in Adobe Creative Cloud including InDesign, Photoshop, Illustrator, AfterEffects, Lightroom, etc
- Sound understanding of digital design principles
- Ability to follow brand guidelines and existing templates
- Experience working in a high volume, high output environment
- Proficiency in Microsoft Office
- Great typographic composition and layout skills with an impeccable eye for detail
- If you know your way around a camera and drone, that would be a bonus

## Responsibilities and duties

- Complete tasks according to the brief and deadlines set out by the MCM
- Create the print and digital assets for Dee Why RSL and all of its outlets
- Work effectively within the team to meet the needs of the business
- Maintain a solid understanding of current design and visual trends
- Ensure all assets are compliant with legislative, branding and company guidelines
- Collaborate with the MCM on the creation and timely implementation of any and all publications including DY Point magazine, Annual Report etc
- Assist other departments as necessary
- Carry out any other duties as directed by the Executive Manager - Marketing & Communications

## What sort of hours will I work?

We work in hospitality so we work as a team to get done what needs to get done, but generally the role is Monday to Friday.

## Benefits

- Meal benefit provided.
- Access to member discounts.
- Close to public transport with onsite staff parking.
